

OPEN GARDENS & FLOWER FESTIVAL

**MONDAY 30TH AUGUST
2.00----6.30pm**

A big warm welcome awaits you at the pretty Thames side village of **SOUTH STOKE** where twelve gardens will be open to view.

The attractive church of **ST ANDREW'S** will be displaying its annual flower festival. The flower arrangements are themed on the text of well known hymns.

Visitors may also take the short walk along the bridle path towards Goring to **THE WITHYMEAD NATURE RESERVE**.

Looking after your refreshment needs are the **PERCH & PIKE**, open from 12.00 pm for bar meals. Alternatively, teas and cakes courtesy of the **W.I. & Withymead** will be available all afternoon.

All car parking is free at the recreation ground where entry tickets (£5.00 adults/children free) and village maps will be available. The parking will be clearly signposted with black and yellow signs.

Please do not park on the roads within the village unless disabled, where space will be provided outside St Andrew's Church.
